

Crown Meadow First School and Nursery British Values in the EYFS

These are some the ways in which we promote British Values in the Early Years

	Democracy	The Rule of Law	Liberty	Mutual Respect	Tolerance
<p>The EYFS already provides a solid foundation to encourage a child's understanding and acceptance that we live in a diverse community with many different cultures and life styles. The Early Learning Goal, Understanding the Worlds, states that 'Children talk about past and present events in their own lives and the lives of family members... they know about similarities and differences between themselves and others, and among families, communities and traditions.'</p> <p>At Crown Meadow we promote the learning of right from wrong, sharing and inclusion. The children are encouraged to respect and be aware of the multicultural society that they live in.</p>	<p>Child voice in planning sessions</p> <p>Joining School Council in Summer term</p> <p>Taking turns and sharing with each other</p> <p>Voting for special activities</p>	<p>Following and agreeing to set school and class rules</p> <p>Understanding the zone board use in the classroom</p> <p>Understanding rules to keep us safe</p>	<p>Continuous Provision - children leading own learning</p> <p>Choosing own activities</p> <p>Choices at lunch time</p> <p>Free flow inside and outside</p>	<p>Taking part in enrichment days</p> <p>Taking part in topic days</p> <p>PSED</p> <p>Sharing and taking turns</p> <p>Being kind to our friends</p> <p>Celebrating our friend's successes</p> <p>Working with others year groups</p>	<p>Being aware of our differences and similarities</p> <p>Topic days - Chinese New Year, Black History Month, Diwali etc.</p> <p>Helping and supporting each other</p> <p>Talking about our families and sharing our news</p>
