## Arts Ambassadors' learning review

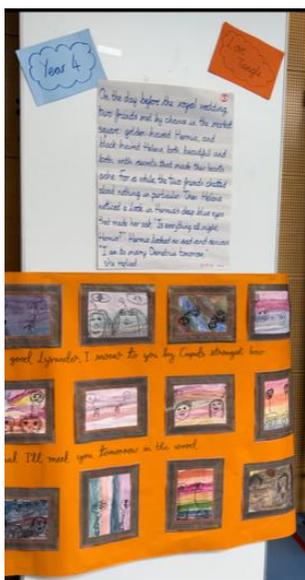

We are pleased to share with you our April edition of our Creative Arts newsletter. These newsletters are designed to give you information about the fabulous Arts learning taking place in our school and to celebrate the achievements of our children.

### Shakespeare Week

Last week we celebrated National Shakespeare Week for the very first time. The majority of the children's learning was centred around, 'A Midsummer Night's Dream'. On the Monday morning, we began with a whole school assembly where we learnt facts about William Shakespeare. So many of our children had already completed their own home projects about him which they were delighted to share. Throughout the week each year group were allocated scenes from the play before working together to create incredible pieces of artwork.

On Monday 27<sup>th</sup> March, we held a wonderful Art exhibition in our school hall where we were amazed to see hundreds of parents and children who came to view the artwork. It really was a fabulous end to a wonderful week of hard work.

The video of the artwork will be uploaded onto our school website shortly for anyone who was unable to attend.

## Talent Show

On Thursday 30<sup>th</sup> March, we held our annual 'Crown Meadow's Got Talent'. This is always a wonderful showcase of the astonishing talent we have in our school. We had 10 varied acts ranging from Reception to Year 4 who performed for us on the main stage. All performers were so amazing and we cannot be more proud of them. We would like to thank our judges, Ryan and Jamie from Music Academy Midlands and Lottie Newberry our school governor, who did such a brilliant job!

We would also like to thank our PTA committee for funding the prizes for the finalists. Thank you to all the children who auditioned for the original class talent shows. It is always amazing to see a range of talents across school.

Well done our overall winner from 3R.
