

Broomstick Bookmark Craft

You will need:

- Jumbo lolly stick
- Foam craft letters
- Dark and light brown card
- Scissors
- Glue

1) First, arrange your foam craft letters onto the jumbo lolly stick. These letters could spell your name, a spooky Halloween themed word or the name of someone special. Secure them in place with glue.

2) Next, cut out a brown shape from the brown card.

3) Use the scissors to snip lines into the base of the broom. This will look like the twigs that make up the broom.

4) Use the glue to secure the broom to the bottom of the jumbo lolly stick.

5) Cut out a small strip of light brown card and secure it onto the dark brown card with glue. Allow the glue to dry.

You have made yourself a cute broomstick bookmark. It is now ready to place inside a book to keep your place when reading.
